

To whom it may concern, my name is Juan Soto and I am a faithful listener of KLOVE. I am encouraged and strentghened in my faith by listening to one of the few christian stations on the FM signal. I support KLOVE in their efforts and vision.

If KLOVE were to be displaced in my community I know many of my family and friends would be dissappointed. With one station playing christian music that I know of, it is our only christian entertainment. The reach that KLOVE provides for hundreds of hurting families cannot be duplicated by any other media. The dedication that KLOVE has to their listeners in serving them is unsurpassed by any other radio station that I have listened to. KLOVE must remain on the air. Please do not take my KLOVE away. God bless you richly.
